**S**outheast Guilford Senior High School opened in the fall of 1962. Located in Guilford County, North Carolina, Southeast was a consolidation of Alamance, Nathanael Greene, and Pleasant Garden Schools. John A. Cox, Jr. served as principal for the first eighteen years and was succeeded by David James Turner, who served from 1980 until 1984. For the past three years the school's principal has been David Dodd Girardi. For twenty-five years Southeast High School has strived to excel academically, culturally, and athletically. The success of the past quarter century has made students, parents, faculty, and community — proud to be FALCONS.

The Prom has always been a special event; and Southeast's 1986 prom was no exception. Bryan Park was the place the big event was held. The juniors spent weeks preparing the Enrichment Center in honor of the graduating seniors. There was a lot to be done.

Guys had to choose their date and hope she said "yes". Then the couple had to shop for apparel. The girl spent weeks looking for just the right gown. Once she found it, a matching tux had to be rented by the guy.

To add to all this confusion, the

prom was held on a Friday-school day. The attendance office was swarmed with early dismissal. Girls needed the extra time to lay out in the sun and go to the hair dresser. Guys left school early to pick up their tuxedos and wash their cars.

After all the preparations were made, and everything was ready, the evening full of memories began. All of the hard work paid off. The night was a huge success. The memories made the night of April 25, 1986 will be kept forever.

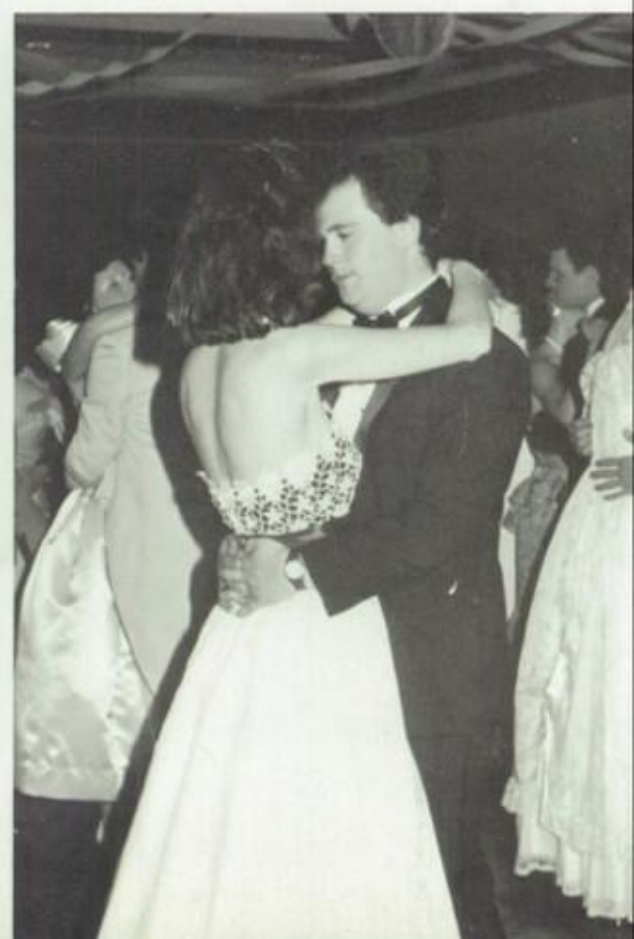

Edith Spivey and Mike Bourquin take time to  
alone on the veranda.

Enjoying the clear night Eric Burton, Wendy Humphrey,

Cliff Bailey, Cheri Martin, Jon Pierce, Lynn Doss, Bill Rhyne and Donya Jackson stand together and talk.

Tamara Rummage serenades her date, Tommy Sawyer. Kim Duncan and Michael Bishop dance the night away to the music of "Push".

## Falcons Celebrate 25th Homecoming

The week of October 20 was a busy one at Southeast. It was the week of our Silver Anniversary Homecoming. For twenty-five years this has been an exciting time for students and this was no exception. The entire week was scheduled with special events to boost the spirits of everyone. Wednesday was "Lick 'Em" day and the cheerleaders sold suckers that students were permitted to snack on all day. Thursday was "Jersey Day" and Friday was "Orange and Black Day". A new idea was a nighttime pep rally and bonfire. On Thursday night the cheerleaders and Excalibur performed for students who came to cheer for the Falcons. Friday was also the day of a big pep rally. All week the Student Council sold tin foil squares to be made into "spirit balls," and the Seniors were announced as the winners of this contest at the pep rally. As usual, there were activities in which the classes competed against each other. A new treat to Southeast was the presence of 98.7 KISS-FM. There was a live spot on the radio from Southeast and Skip Preston played Simon

Says, "radio style," with the crowd. The week's activities were enough to excite anyone and that night was magic. Prior to the game, former Homecoming Queens from 1962-1985 were introduced and presented to the crowd. Each of the former Queens knew exactly what it felt like to be one of the nine girls on this 25th Homecoming Court. "I was so happy to have been chosen for the court, but I was also very nervous on Homecoming night," stated Senior Kelly Robertson. Junior Kim Lea explained, "It was so exciting and such an honor to be on the court." When the time came, each young lady and her escort was announced to the anxious crowd. Kim Lea was chosen by the Junior class as Maid of Honor. The announcement of the 1986-87 Homecoming King and Queen would be the peak of a very exciting week at Southeast. Patricia Jordan and Desi Williams were chosen as Queen and King by the class of 1987. Because of the hard work of everyone involved the Silver Anniversary Homecoming of Southeast was a huge success.

# NC to SD EXCHANGE

The exchange happens every three years. Thirty-two Southeast students are chosen to journey to a world of snow and ice, Sioux Falls, South Dakota. After cramming for and taking exams, we loaded up the bus Friday night, January 16th and began the long ride. The beginning hours went by quickly and were filled with excitement and anticipation. As the night went on, many found the sleeping conditions to be uncomfortable. Few hours were spent sleeping due to the limited seat space. When morning came we had no idea what city or state we were in. Our chaperones, Mrs. Allman and Mr. (wild thing) Castell, informed us that we would spend the day in St. Louis. One of our tours was a ride to the top of the Gateway Arch. The best stop was the last for Saturday — the Holiday Inn in Kansas City. Sunday afternoon we pulled into the Lincoln High School parking lot to meet our partners. Before getting off the bus, we anxiously stared at the South Dakota students awaiting our arrival. The long trip was over, and we were

greeted with warm welcomes. Bright and early Monday morning we met at Lincoln High to attend a day of classes with our partners. During the rest of our stay we visited and toured much of Sioux Falls. Some of the historical sights included the Falls and the Center for Western Studies. Among other places visited were EROS, an observation system which deals with satellites; Citi Bank, a large business which manufactures and controls credit cards; and Universal Systems, a place in which hot air and helium balloons are made. The activities enjoyed the most were ice skating at Drake Springs and night skiing at Great Bear. The highlight of the trip was meeting many new friends along with experiencing life in another part of the country. Saying goodbye was not as hard as it was when they left from their visit here in April. The thirty-two Southeast students who engaged in this program will look back on it with fond memories for years to come.

## LIFE AFTER SCHOOL

And what to do with it

Clockwise from left: Many hard hours of practice after school has helped #87, Richie Patrum prepare for the Friday night games. Taking advantage of evening daylight, Ricky Robinson works under the hood of his Firebird. Debbie Hershey, Sam Byers, Rebekah Bennett, and John Brammer meet at Debbie's house after school to catch up on the Guiding Light, the latest gossip, and to munch snacks.

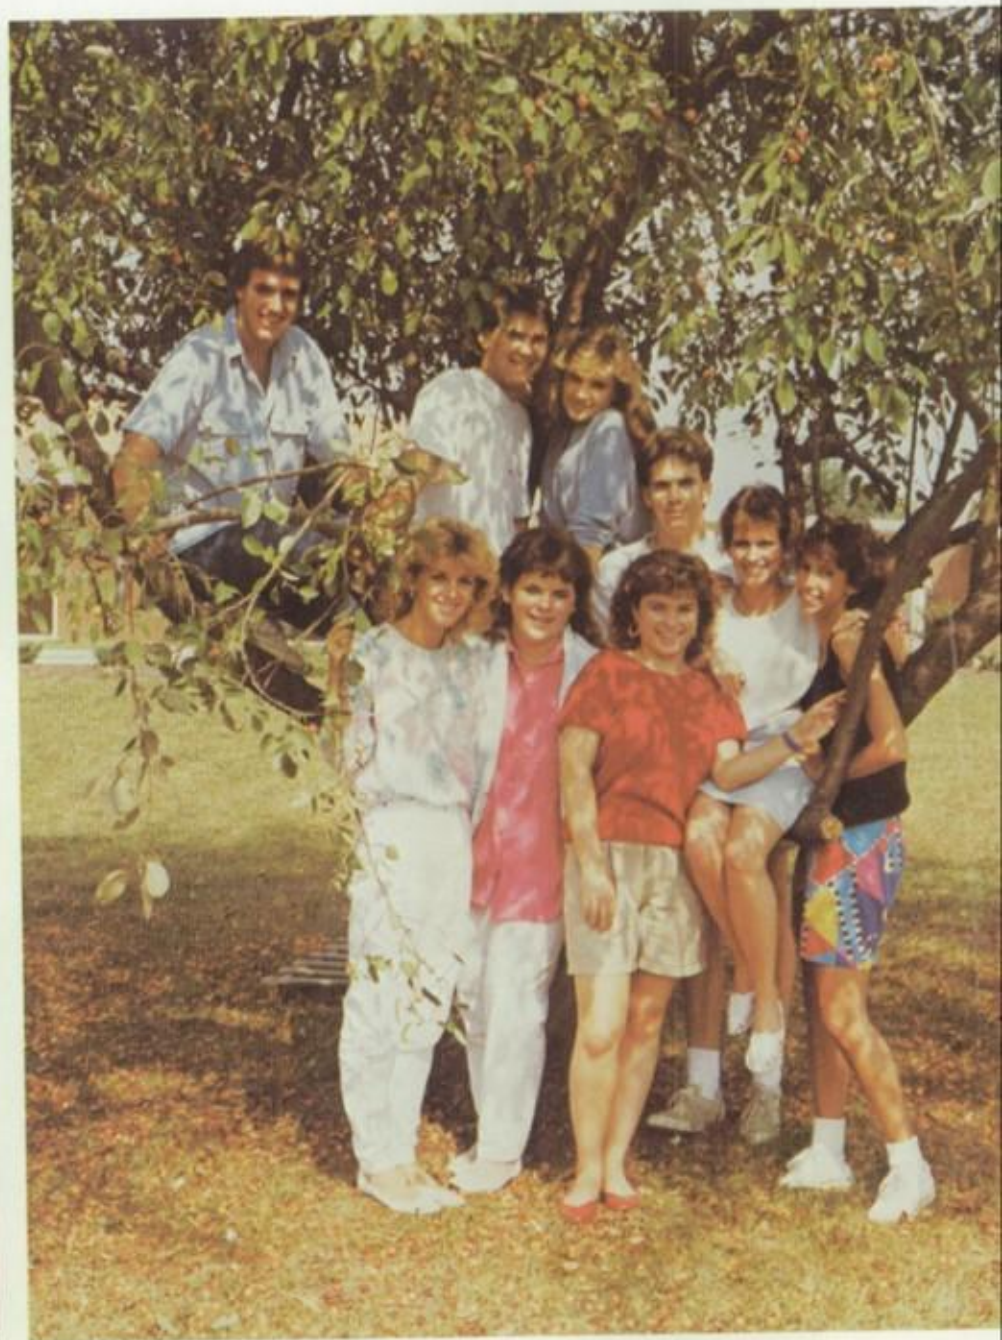

Brian Howell, Debbie Hershey, Chan Wade, Sally Rhyne, Heidi Bledsoe, Michelle Turner, Patrick Kent, Kelly Robertson and Mandy Snead gather on the front lawn for some friendly fun.

Meredith Spivey and Beth Thaggard have continued to be friends throughout the years. They find that getting together at football games is a good way to catch up on the latest gossip.

Bobby Boone and Von Shepard are a familiar couple at Southeast. Here they take a quiet moment at the end of a busy school day to enjoy each other's company.

CONGRATULATIONS to the class of '8

### Forever My Friend

My friend, I do not wish for you to go,  
But life will not wait for us, I know.  
Don't look back and see the tears streaking down my face.  
In my heart you'll never be replaced.  
Hold tight to today, and it will take you to tomorrow.  
Hold your head high, and you will see that the sorrow  
Will soon fade with a dream that is yet to be.  
We're going to be the best of all, just you wait and see.  
Take me with you when you go. I'll stay forever in your heart.  
That way we'll never have to say we lost a part of ourselves.  
You're just the part of me I can't let go, and I'm glad you are a  
Friend I'll always know.  
So thank you for growing up with me, my friend.  
Parting now, we'll reach for the stars and see it's not an end,  
But the beginning of a life we've dreamed of for so long.  
Now it's time to show the world — we've made each other strong.

Row 3: Dixie Starr, Eric Burton, Crag Smith, Steve Gibson, Doug Williams, Theresa Robinson, Jason Shoffner, Mark Ingle, Lanny Shoffner, Jodie Byrd, Sandi Whitesell, Tay Filer, Elizabeth Dryman, Coach Ted Stewart.

II-Conference Eric Burton leads the way for the Falcons.

Pushing herself to exhaustion, Paula Hilliard welcomes the finish line.

Hoping for a strong race against Grimsley, Falcon runners wait anxiously for the sound of the starting gun. The Boys team topped off a successful season by winning the Conference Champions Meet.

Tired but determined, Kassie Knight keeps her stamina to reach the finish line.

Out pacing a car, Jim Knight runs along Southeast School Road.

Senior Matt Ingle turns the corner on to the straight away.

Hey Dad! What's up? Well must you you'll be a Senior, and I'll be a Junior. Its hard to believe but its true. We practically grew up together. You have helped me through my rougher times. We had so much fun in Boy Scouts, remember? Good luck with Rodney! I know how Kenneth is and I know I would be better off without him, (that's what he says anyway I don't think so!)

But I love him so much. If you love someone you will help them through their problems. What's the way you and Rodney have been. Listen, I better be invited to the wedding and I had be proud of Monon. Kenneth and I are getting married often I graduate in '89! I can't wait. The date is June 12 so you & know.

I've already ordered his wedding band. Its beautiful. well I hope to see you and you. Keep in touch over the summer. You'll have to come and see the my old country.

Its going to be a trip working with you too. Dad, I guess you know you - for about 10 years now. You are like a mother I never had. Stay Sweet and keep that big smile. (You going to need it working at McDonald's). Don't worry you'll be invited to my wedding, so my proud of Monon. I'm not telling you I'm asking you if you'll be my proud of Monon at Kenneth's & my wedding. Please say yes! Well I had so. Keep in touch 698-8880

Kim,

Well, the year has drawn to a close. And it's been a pretty good one, too. I can't wait to get out of here. Thirteen years of school is enough for anyone.

But it's been fun. It's been real. But it hasn't been real fun in Caligaris class. 3rd Period was, and still is, a complete and utterly ridiculous joke. Study hall every day. But you made it interesting, and I appreciate it. You made my life worthwhile in that class. Thanks.

Good luck next year and live it up. Have fun.
